Dear \_\_\_\_\_ ,

As you know,...

(In the first paragraph, write about Bilbo's general health and how he is)

Although I am now getting on with my companions, ...

(In the second paragraph, write about how Bilbo was not so popular with the dwarves at first but has now gained their respect by...)

The most frightening part of our journey so far was when...

(In the third paragraph, write about how Bilbo walked through Mirkwood or the time with the goblins, when they were stuck in the trees or when they were rescued by the eagles but Bilbo was frightened by heights)

Although there are still many dangers to face, I think we are coming to the end of our quest and so I should be home soon.

(In the final paragraph, write about what Bilbo worries about and how he thinks he is going to survive the rest of the journey. What Frodo should do if he doesn't and what he should do if he does.)

Yours sincerely.

Bilbo.
